54.313(f)(1) "Public Interest Obligation"**

Dear Ms Dortch:

In compliance with the filing requirements associated with, and attached to Form 481, we wish to advise the Commission that Oregon Telephone Corporation-MTE provides High Speed Internet service to its customers and:

- Has taken reasonable steps to provide upon reasonable request broadband service at actual speeds of 10 Mbps downstream/1 Mbps upstream;
- Provides latency suitable for real-time applications including VoIP and usage capacity which is reasonably comparable to those in urban areas and;
- That reasonable requests for service are met within a reasonable timeframe.

If there are questions, I may be contacted at 541-932-4411.

Sincerely,

Delinda Kluser
Vice-Pres, Manager
